**"Transitions": our Pre-K program**

*Transitions* is our exceptional pre-Kindergarten program devoted to children who will make the transition from preschool to Kindergarten. This class is designed for older four year-olds and young five year-olds (5 years by Oct. 31) who are often not ready for the many demands of kindergarten. We use a Christian and standards-based curriculum in which math, science, language arts and Biblical principles are integrated along with the creativity of music and art. Additional extracurricular activities are included in our program (i.e. Suzuki violin, golf, ballet, gymnastics, karate and Spanish immersion) Snacks and lunch are provided.
